Print a Poster

The screenshot shows the HP Applications Center interface for printing a poster. The top navigation bar includes the HP logo, 'Applications Center', and 'Posters'. On the right, there are links for 'Help' and 'My work'. The main content area is titled 'This is your first time, select your preferred compatible printing software'. Below this, a message states: 'Your selection will become your default printing option path for future print outs. Changes can be made later in settings'. There are three main sections for software selection: 1. 'Radically simple printing software' featuring 'HP Click' with a 'Download HP Click for free here' link and a note to install it first. 2. 'Other printing options' featuring 'HP SmartStream' with a 'Download HP SmartStream here' link. 3. 'Choose one of these compatible third party RIPs' with six options: ONYX (Thrive, ProductionHouse & Poster Shop v11 12+ patch &), SAI (HP Edition Flexi 12 with SP1 HP Edition Flexi 11 + patch under demand), CALDERA (GrandRIP 10.2 and higher VisualRIP+ 10.2 and higher), ColorGATE (Production Server 9(v9.02.6196) and higher), ergosoft (Ergosoft RIP 15), and PrintFactory (PrintFactory 5). At the bottom right, there are 'Save' and 'Send to print' buttons. A footer contains copyright and privacy information.

## 1. Select your printing option

There are different printing paths (HP Click, HP Smartstream or other third-party RIPs): Select your printing option and click Send to Print.

Print a Poster

The screenshot shows the HP Applications Center interface. At the top, there is a blue header with the HP logo, 'Applications Center', and 'Posters'. On the right side of the header, there are icons for 'Help' and 'My work'. The main content area is white and features a large green poster design on the left. The poster has the text 'No plants beyond this point' and an illustration of a hand holding a plant. Below the poster is a button labeled 'Edit Design'. In the center of the main area, the text reads 'You are almost done!' followed by 'Your file is being processed.' and 'This may take some time as we are composing your creation to ensure the best image quality'. Below this text is an icon of a laptop displaying a landscape image. At the bottom of the main area, there is a light blue warning box with a triangle icon and the text 'Do not close this window while we are processing your design'. Below the warning box, it says 'Once processing has been completed, HP Click will open automatically and start downloading your file'. At the very bottom of the screenshot, there is a small copyright notice: '© 2013-2021 HPDC, L.P. By using this site you agree to be bounded by these terms. This website complies with the HP Privacy statement and the HP Personal Data Rights Notice'.

## 2. Process and Print

Your file is being processed and it is now ready to print.

# GETTING STARTED TO HP AC LITE

Print a Poster

The screenshot shows the HP Applications Center interface. At the top, there is a blue navigation bar with the HP logo, 'Applications Center', and 'Posters'. On the right side of the bar are icons for 'Help', 'My work', and a user profile icon. The main content area is split into two columns. The left column displays a poster design with a green background, a white circle containing a hand holding a branch, and the text 'No plants beyond this point'. Below the poster is the label 'A2 - Portrait'. The right column features a blue checkmark icon followed by the text 'Done! Your file has been sent to print!'. Below this is a blue button labeled 'Create new'. Underneath the button is the text 'You can always access your designs in [My work](#)'. Further down is the text 'Share your creation!' followed by four social media icons: Facebook, Twitter, Pinterest, and LinkedIn. At the bottom left of the interface, there is a small copyright notice: '© 2013-2021 HPDC, LP. By using this site you agree to be bounded by these terms. This website complies with the HP Privacy statement and the HP Personal Data Rights Notice.'

The screenshot shows the HP Applications Center website interface. At the top, there is a blue navigation bar with the HP logo and 'HP Applications Center' on the left, and 'Help Center' and a settings gear icon on the right. Below the navigation bar, a green notification box states 'You have signed up successfully.' The main content area features a scrollable window titled 'Terms of Use' with the following text:

**Terms of Use**

**HP Applications Center Website - Terms of use and legal restrictions**

ATTENTION: PLEASE READ THESE HP Applications Center TERMS OF USE ("TERMS") CAREFULLY BEFORE USING THIS HP Applications Center WEBSITE ("SITE"). USING THE SITE INDICATES THAT YOU HAVE READ AND ACCEPT THESE TERMS. IF YOU DO NOT ACCEPT THESE TERMS, YOU ARE NOT AUTHORIZED TO USE THE SITE. THESE TERMS GOVERN YOUR USE OF THE SITE, ANY CONTENT OWNED OR LICENSED BY HEWLETT-PACKARD COMPANY ("HP") (SUCH AS TEXT, DATA, SOFTWARE, GRAPHICS, OR PHOTOGRAPHS, AND INCLUDING WITHOUT LIMITATION, USER PUBLICATIONS AND USER FEEDBACK (AS BOTH SUCH TERMS ARE DEFINED BELOW)) THAT HP MAY MAKE AVAILABLE THROUGH THE SITE (COLLECTIVELY, "HP Applications Center MATERIALS") AND ANY SERVICES THAT HP MAY PROVIDE THROUGH THE SITE (COLLECTIVELY, THE "SERVICE"). THE SITE, HP WALLART SOLUTION MATERIALS, AND SERVICE ARE REFERRED TO IN THESE TERMS COLLECTIVELY AS THE "HP Applications Center NETWORK."

**Other Applicable Terms:**

IF YOU ARE LOCATED OUTSIDE THE UNITED STATES, YOU MAY HAVE ADDITIONAL RIGHTS UNDER YOUR LOCAL STATUTORY OR CONSUMER LAWS, WHICH PROVIDE YOU WITH OTHER REMEDIES. TO THE EXTENT THAT THESE TERMS ARE INCONSISTENT WITH THE STATUTORY LAWS OF THE COUNTRY WHERE YOU ARE USING THE HP Applications Center NETWORK, THESE TERMS ARE DEEMED MODIFIED TO BE CONSISTENT WITH SUCH LOCAL LAW REQUIREMENTS.

**HP Applications Center Network**

The Service allows you to: (a) upload to the Site, plans, designs, drawings, images, documents, and similar publications you create (each a "User Publication"), publish your User Publications on the Site (for restricted private viewing), and share and distribute copies of your User Publications to other users of the HP WallArt Solution Network (in which case you may be referred to herein as a "Publisher"); and (b) browse and download User Publications published by yourself or other Publishers. HP authorizes you to use the HP Applications Center Network only for your own use. Use of the HP Applications Center Network on behalf of third parties is strictly prohibited. You may not distribute, reproduce, modify, adapt, publish, translate, publicly perform, publicly display, create derivative works of, or otherwise exploit the HP Applications Center Materials or any other aspect of the HP Applications Center Network, and, as between you and HP, HP owns the HP WallArt Solution Network, in each case except for your own User Publications or User Feedback (as defined below) to which you have all necessary rights. The HP WallArt Solution Network is protected under United States and international copyright laws. Any unauthorized use of the HP Applications Center Network may violate copyright, trademark, and other laws.

**HP Applications Center HP Applications Center hosting**

At the bottom right of the scrollable window, there is a blue button labeled 'I Agree'.

# GETTING STARTED TO HP AC PRO

### Integrations

- Introduction
- External link**
- Discontinued Integration

### External link

This is the simplest way you can let other people start projects with you.

There is an URL that directly opens projects in your web site. This is a very simple, straight forward way to start making projects. You can share with them a link via email, twitter, Facebook, or simply use the link from your existing web page to let people start creation. Let them spend time on the design, when they are ready they will contact you for payment, decide on the substrate, etc. By using this link your customers don't need to contact you to create projects for them, they just do it by themselves.

### Simple link

You can use the link in different ways.

1. Get the link and add it wherever you need.
2. Add a button to your webpage.
3. Copy and paste the HTML code to your web.

#### 1 Get the link

This is the URL you need to add to your webpage. You can add it into an image, text or any part you want to use it.

```
https://designer.jpwallar.com/hg_758?external_link=true
```

#### 2 Adding a button

You can use this buttons to add to your website. Just download and use this buttons into your web.

Wallcovering	 Create Wallcovering Project	<a href="#">Download PNG (7KB)</a>
Canvas	 Create Canvas Project	<a href="#">Download PNG (5KB)</a>
Poster	 Create Poster Project	<a href="#">Download PNG (5KB)</a>
Wall Decal	 Create WallDecal Project	<a href="#">Download PNG (7KB)</a>

#### 3 Get the HTML code

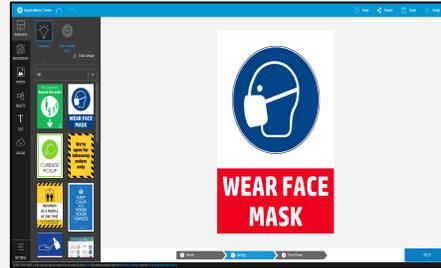

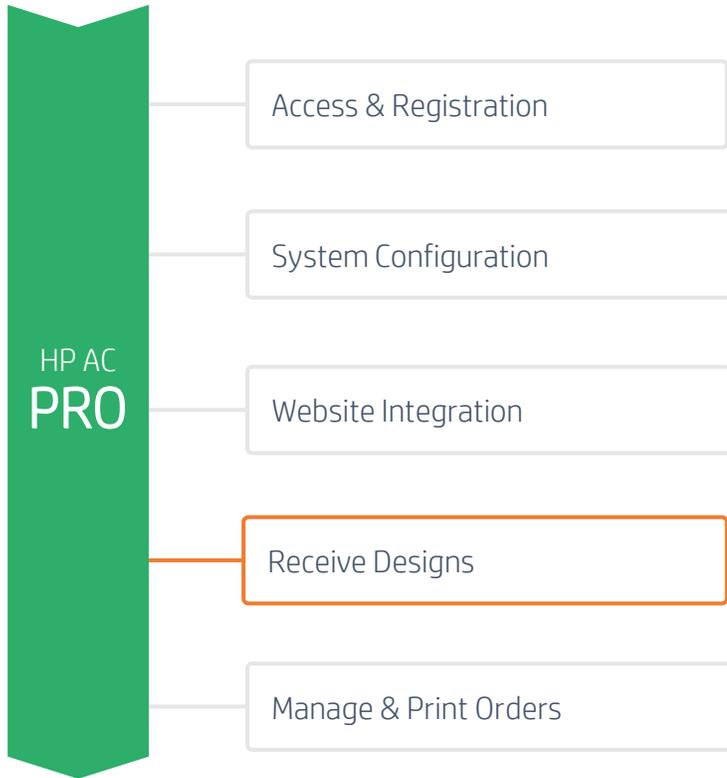

Copy and paste the HTML code into your webpage

```
<a href="https://designer.jpwallar.com/hg_758?external_link=true&sku=WR_WC">img src="https://wallar.com/images/646/e/e/e/e/wallcovering_button.png" alt="Create a Wallcovering project" /></a>
```

2. Put your hyperlink into your website

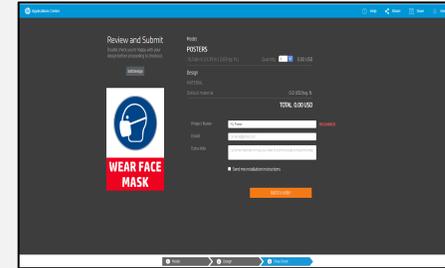

Link your website and the designer by integrating the hyperlink.

# GETTING STARTED TO HP AC PRO

## 2. Submit or let your customers submit designs

You will receive an order once the design has been submitted with all order details.

# GETTING STARTED TO HP AC PRO

## 1. Start receiving orders from Dashboard

In the dashboard view, you will see all orders coming and will be identified by an order ID. There, you can find all order details.

## 2. Approve, reject or archive orders

You will be able to manage and change the status of your orders depending on your preferences and processes.

## 3. Print designs

You can download the ready-to-print PDF file and print your orders.

The screenshot shows the HP Applications Center dashboard. At the top, there is a navigation bar with the HP logo, 'HP Applications Center', and a 'Help Center' link. Below the navigation bar, there are tabs for 'Dashboard', 'Orders', 'Customers', 'Templates', 'Inspirations', 'Content', and 'Applications'. The 'Dashboard' tab is active, showing a user profile for 'Sergi' and a 'Stats' icon.

### Dashboard

Access to your orders and enable Web Apps, for your day-to-day productivity and creative activities, including automatic PDF ready2print file generation, and automatic job submission without previewing.

### Orders Summary

3 New orders [View all >](#)

Order ID	Product	Status	Date	Price
Order: #608734	Wallcoverings	Ready to print	01/13/21 08:55	0.00 USD
Order: #608752	Posters	Ready to print	01/13/21 10:23	0.00 USD
Order: #601686	Posters	Ready to print	12/ 4/20 12:42	0.00 USD

0 Order errors [View all >](#)

### Tips & Tricks

- Getting started**  
Go to the Applications page and select the application editor you want to make available. Once an application is activated, complete the corresponding production settings to ensure the PDF is generated as you require.
- How to add content**  
Click the tab for the Content page. On the content page you can create folders, add content categories and upload designs to make them available to customers.
- How to manage my customers**  
You can create a special account for large customers. With this account you can track orders and manage commonly used templates.
- How to price**  
You can set prices within individual applications. This can be done during the application activation process or in application settings. Individual prices can be set for by media type along with short descriptions to help customers understand the options available.
- How to integrate application editors into my website**
- I don't have any content, where can I find some**

### Application Categories

- Wallcoverings
- Canvas
- Posters
- Gift Wraps
- Floor Graphics
- Roll-ups
- Banner
- Stickers and Magnets
- Face Mask
